

2004 Speaker of the Year

Indicate your choice and return to AEG Awards Chair by Dec. 10, 2004.

Program Ballot (choose one)

<input checked="" type="checkbox"/>	TITLE	SPEAKER(S)	DATE
<input type="checkbox"/>	...and Not a Drop of Oil was Spilled	Mr. Lloyd S. Cluff	11/12/03
<input type="checkbox"/>	The Use of Large-Diameter Boreholes and Downhole Logging Methods in Landslide Investigations	Mr. Phillip L. Johnson and William F. Cole	12/09/03
<input type="checkbox"/>	A Personal and Geological Journey to Afghanistan	Mr. Jim Springer	01/13/04
<input type="checkbox"/>	Landslides in Big Sur	Mr. Chris Wills	02/10/04
<input type="checkbox"/>	Field Behavior and Failure Mechanics of Variably Cemented Coastal Bluff Deposits	Mr. Brian Collins	03/09/04
<input type="checkbox"/>	Using Geomechanical Modeling to Constrain the 3-D Fault Geometry within the Marmara Sea, Turkey	Mr. Jordan Muller	STUDENT NIGHT
<input type="checkbox"/>	Geologic and Geotechnical Characterization for Regional Liquefaction-Induced Deformation Mapping	Ms. Anne Rosinski	
<input type="checkbox"/>	Fault Rupture Hazard at Memorial Stadium, University of California, Berkeley	Mr. Donald Wells	04/13/04
<input type="checkbox"/>	Plate Tectonics of Western North America	Dr. Tanya Atwater	05/13/04
<input type="checkbox"/>	Stratigraphic Reevaluation of the Livermore-Amador Groundwater Basin	Dr. Sands Figuers	06/08/04
<input type="checkbox"/>	Quaternary Structure and Stratigraphy of the Santa Clara Valley, California	Mr. Carl M. Wentworth, R.C. Jachens, and R.T. Hanson	07/13/04
<input type="checkbox"/>	Recent Geomorphic Investigations of Thrust Faults Bounding Santa Clara Valley	Mr. Christopher Hitchcock	08/10/04
<input type="checkbox"/>	Fields of Expertise-Civil Engineering vs. Engineering Geology	Mr. Frank Kresse	
<input type="checkbox"/>	Tomato Juice-Induced Sinkholes-Underground Construction Defects Not "Out of Sight, Out of Mind"	Ms. Elizabeth Mathieson	09/14/04
<input type="checkbox"/>	Variations in the Geomechanical Advantages of Tortuous Failure Surfaces in Bimrocks (Block-In-Matrix Rocks)	Dr. Edmund Medley	

Return your completed ballot the AEG Awards Chair by December 10th, 2004
